“ Aunt Betty was one of the first family members I met when Clennon and I were making plans to marry. She was one of the finest, most gracious women I have known in my life. We should all count ourselves blessed for having known her. My thoughts and prayers will be with her many friends and family.

“ I will always remember Mrs. Betty Sue for her warm and friendly personality. For many years she and Bro. Roy were youth sponsors at Whiteville MBC in Pine Bluff and numerous times opened their home to the youth. I was also privileged to know her as a faithful worker when I returned as an adult. Her warmth and encouragement was and remains an influence in my life.

“ I had the pleasure of meeting Ms. Betty several years ago and she was a very sweet & outgoing lady. I enjoyed visiting with her and she was truly a good friend to me! She would always call me Regina instead of Ranea, and we just laughed.. I will surely miss her.. My prayers are with you Lynda & Jerry and your families! May God give you peace and strength in the days to follow...
