“ *Bettye was a wonderful neighbor in Hot Springs, when I first moved here and did not know anyone. She invited me to church and we sang in the senior choir together. She was rarely seen without her beautiful smile and was always so sweet, kind and helpful to all those with whom she came in contact. Her Hot Springs church family will miss her as well as her neighbors. My condolences to her dear family and friends.*

Bettye was pure sweetness. A true Southern belle! I can hear her sweet voice even now as she would go out of her way to come and speak to me at church. She was truly a beautiful lady in every way.

“ *Bettye Dillard's smile lit up Magnolia High School. Bettye was a friend of my brother Ron and me. She was so popular and into everything in her high school years - Pep Club, National Honor Society, Band, Student Council, Cheerleader, Girls State and the list goes on. Her smile is lighting up Heaven now! Blessings all, Ray*

“ So sad to read about Betty's passing. She was such a kind, caring person. She talked with me many times at church. Although it has been a number of years since I visited and talked with Betty, her wonderful smile, words of kindness and overall genuine love for others will always be remembered.

I am so sorry for your loss.
