“ Jay, so sorry to hear of your loss. I have many memories of our growing up with both of our parents playing cards until late into the night and even times like now where they would see the new year in. I am glad you and your parents were a part of my life growing up. I pray that your sorrow and pain will be healed during this difficult time. My thoughts and prayers are with you and your family during this very difficult time!

“ I didn't know her, but I was a boyhood classmate of her son, Jay, who is a very good man. Any mom of a son like him was obviously a wonderful person. My sympathy goes out to you, Jay. I'm thankful you had her for so long. Mark Lewis

“ Jay my heart goes out to you and all your family. She was such a sweet lady. I won't forget my last visit with your mom. That's when I realized she was a Rosie the Riveter. And worked in the same Air Force bomber plant that I've been working for the last 20 years.
